

Aufderheide and Ekblom, Vol. 107, No. 6, Pt. 1, December 1988

Due to an author's error, Fig. 2 and Fig. 4 c contain incorrect statements. In Fig. 2, the ordinate should be  $E_{450}/30$  min rather than  $OD_{595}$ . In Fig. 4 c, the bar value indicates 60  $\mu$ m rather than 30  $\mu$ m.
