Aufderheide and Ekblom, Vol. 107, No. 6, Pt. 1, December 1988

Due to an author's error, Fig. 2 and Fig. 4 c contain incorrect statements. In Fig. 2, the ordinate should be $E_{450}/30$ min rather than OD₅₉₅. In Fig. 4 c, the bar value indicates 60 μ m rather than 30 μ m.
