

CORRECTION *The Journal of Cell Biology*

---

Arregui et al. Vol. 143, No. 3, November 2, 1998. Pages 861–873.

On p. 868, there is a mistake in the legend for Fig. 12.

---

In Fig. 12, panels A and D were inadvertently switched. Therefore, the description in the legend for A actually refers to D, and vice versa.
