

Correction: Fat2 acts through the WAVE regulatory complex to drive collective cell migration during tissue rotation

Anna Julia Squarr, Klaus Brinkmann, Baoyu Chen, Tim Steinbacher, Klaus Ebnet, Michael K. Rosen, and Sven Bogdan

Vol. 212 No. 5, February 29, 2016. Pages 591–603.

After publication the authors discovered they had inadvertently duplicated panels B and C in Video 8. The supplemental video file has been corrected and is available at <http://jcb.rupress.org/content/212/5/591/suppl/DC1>. The authors apologize for the error.
