

CORRECTION *The Journal of Cell Biology*

---

Zigmond et al., Vol. 92, No. 1, January 1982

Page 41, Eq. A-9 should appear as (correction underlined):

$$C = \frac{R_0}{2\phi} \left\{ - \left[ 1 + \beta \left( 1 + \frac{1}{\alpha} \right) + (1 + \beta) \left( \frac{K_d}{A_0} \right) + \frac{\beta\delta}{\alpha\gamma} \left( \frac{A_0}{K_d} \right) \right] + \sqrt{\left[ 1 + \beta \left( 1 + \frac{1}{\alpha} \right) + (1 + \beta) \left( \frac{K_d}{A_0} \right) + \frac{\beta\delta}{\alpha\gamma} \left( \frac{A_0}{K_d} \right) \right]^2 + 4\phi} \right\}$$
