

CORRECTION *The Journal of Experimental Medicine*

The following Figure replaces Fig. 1 (page 871) of the article entitled "Central pyrogenic activity of muramyl dipeptide," by Gilles Riveau, Karel Mašek, Monique Parant, and Louis Chedid; October 1980; 152:869. (In the paper, Fig. 4 inadvertently appeared twice: in its proper place and in place of Fig. 1, which appears below.)

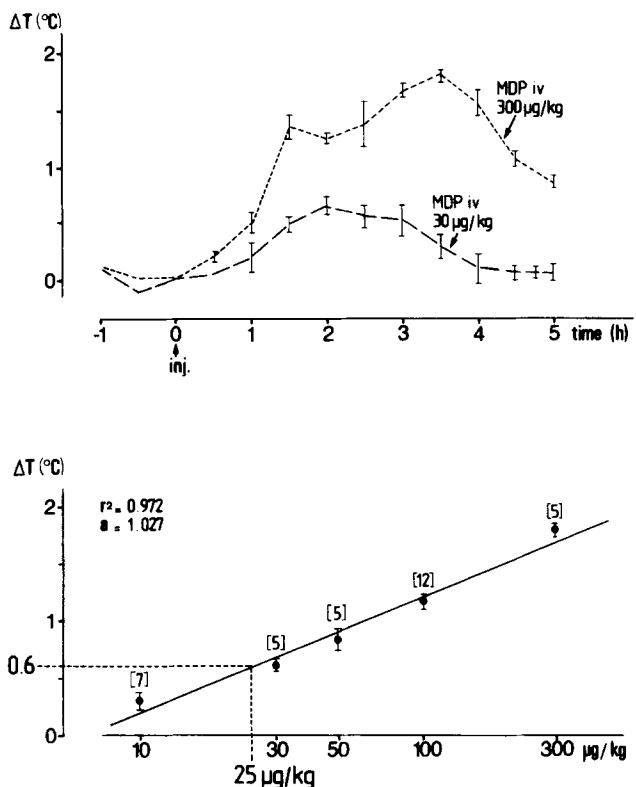

FIG. 1. Febrile response of the rabbit to intravenous (iv) administration of MDP. Results are given as a mean  $\pm$  SD; number of rabbits is given in parentheses. inj, injection; a, slope,  $r^2$ , coefficient of correlation.
