

CORRECTION     *The Journal of Experimental Medicine*

---

The article entitled "Production of a B cell growth-promoting activity, (DL)BCGF, from a cloned T cell line and its assay on the BCL<sub>1</sub> B cell tumor," by Susan L. Swain and Richard W. Dutton (December 1982, 156:1821), contains an error.

On page 1823, the beginning of the 16th line from the bottom, "10<sup>6</sup> cells/ml," should read "10<sup>5</sup> cells/ml."
