

In the November 27, 2006 print Table of Contents, a typographical error appeared in the cover image caption. "T helper 1 cells" should have read "T helper 17 cells." The html and pdf versions have been corrected. The image and the corrected caption appear below.

---

**ON THE COVER**

Painting by New York artist Emilie Clark ([emilie@sharkbooks.com](mailto:emilie@sharkbooks.com)) showing an osteoclast cell. T helper 17 cells promote the bone destroying activity of osteoclasts during autoimmune arthritis. Related article by Sato et al.
