

The role of the Runx transcription factors in thymocyte differentiation and in homeostasis of naive T cells  
Takeshi Egawa, Robert E. Tillman, Yoshinori Naoe, Ichiro Taniuchi, and Dan R. Littman  
Vol. 204, No. 8, August 6, 2007. Pages 1945–1957.

The authors regret that one of the PCR primer sequences described in Materials and methods was incorrect. The correct sequence for the Runx3 common R primer is cggcggagtagttctcatc. This error does not affect the results described in the paper.
