Vol. 221, No. 7 | <https://doi.org/10.1084/jem.20221122> | May 9, 2024

The authors regret that the “WT” and “*Stx11*^{-/-}” labels were not visible in the immunohistology images of the originally published Fig. 1 F. The corrected panel is shown here. This correction does not change the original conclusions of the article, and the figure legend remains unchanged. The error appears in PDFs downloaded before May 14, 2024.
