

To ATP or Not To ATP: This Is the Question

Alessio Accardi

Volume 131, No. 2, February 4, 2008. Pages 105–108.

The original version of this commentary contained citation errors. Citations of Bennetts et al., 2001, should have been Bennetts et al., 2007, with the exception of page 106, right column, line 30. The full Bennetts et al., 2007, reference, originally missing from the reference list, is:

Bennetts, B., M.W. Parker, and B.A. Cromer. 2007. Inhibition of skeletal muscle ClC-1 chloride channels by low intracellular pH and ATP. *J. Biol. Chem.* 282:32780–32791.

The online versions have been corrected.
